## Draw Textured Yarn (DTY)

Devika Fibres uses state-of-the-art machines to produce a wide range of DTY yarns by altering the levels of twisting and drawing based on our customers' needs and requirements. We produce DTY yarns in a variety of lusters for our weavers and other producers, ranging from semi-dull to dope-dyed black.

## Air Textured Yarn (ATY)

Devika Fibres Air Textured Yarn gives the fabrics a different appearance & appeal thus enhancing its look and feel. Since its a blend of several sorts of filaments, our ATY products are lightweight, wear resistant & quite easy to clean. Our yarns can create a wide scope of fabric applications ranging from shirting and leggings to sports wear and casual jackets.
